To know the will of God is the greatest knowledge, to find the will of God is the greatest discovery, and to do the will of God is the greatest achievement.

John 12:26

Dear Parents,

As in the past, we will continue our reading project for the school year 2019-2020. The 4th grade students will be required to read one book during the summer vacation. Parents play an important role in their child's educational development; therefore, we are providing our students with the opportunity to engage in daily reading to improve their literacy skills. This reading project will enhance your child's success in school and throughout life. We count on your support in this ongoing project by buying books and encouraging them to read.

Your child will be required to do a book summary and answer some questions after reading the book. Attached you will find the format your child must use in completing the specified book summary. The summary for the book assigned for the summer will be due on the first Friday upon returning to school. All work must be done typed including a cover page.

Summer Reading: *The Cricket in Time Square by George Selden*

We look forward to another successful year at St. Michael the Archangel and wish you and your family a safe and blessed summer.

Blessings,

Mrs. Aira
