

March 29, 2020

Dear Parents,

I hope this email finds you well. I would like to thank you for your patience and support during the new educational shift. As we move forward with our Distance Home Learning, we ask that parents continue to provide the guidance and support the children need in order to reach the distance learning goal.

As we prepare for the week, please review the following:

- Make sure your child signs in to <https://Mobymax.com> and completes 30 minutes of Reading Stories for attendance. Time to sign in is from 8:00-8:30 a.m. Students will be considered absent if they do not sign in daily.
- As we are transitioning into Distance Virtual Learning, we will be updating login information for new programs, additional website information, assignments and assessments via Plus Portal. Please make sure that you and your child has access to the Plus Portal as this will be one of our major contact points. (If you do not have access or come across any log-in problems, please email Maria Jose Gonzalez at mgonzalez@stmacs.org).
- I will continue teaching by assigning work that needs to be completed and submitted **daily**. Please follow the Weekly Assignment and Test schedule. Some assignments will be through the Plus portal and some will need to be submitted via email to iaina@stmacs.org .
- I will hold virtual classes utilizing Zoom. Zoom is a free program that can connect teachers and students via video. Please set it up at <https://zoom.us/>

Please know you are all in our prayers. Thank you for all you support and patience. God will guide us through it all!

Blessings,
Mrs. Aira
4th Grade

Weekly Assignments/Test
